Food Contact Compliance Statement

21 CFR 177.1500 “Nylon resins”

Products: NYCAST 6PA FG

Cast Nylons Ltd. NYCAST® 6PA FG is compliant based on independent third-party testing to the U.S. FDA Code of Federal Regulations Title 21, 177.1500 (nylon 6). The CNL raw materials comply with the FDA conformity of raw materials. This FDA regulation for food contact states that the materials may be safely used to produce articles intended for use in processing, handling, and packaging food.

This material is produced at our 4300 Hamman Parkway, Willoughby, Ohio location and was produced in accordance with normal CNL production processes and complies with ASTM designation: D5989-18.

Manufacturer of the finished article or seller has to evaluate the finished food contact article for conformance to FDA and other applicable requirements by themselves.

Willoughby, May 27th, 2022
